

SquashBusters, Boston AmeriCorps Massachusetts Promise Fellow

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on and college and career exploration and academic enrichment.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

Service Description

Roxbury-The SquashBusters Massachusetts Promise Fellow will work alongside other staff to help support the incoming 9th grade class. They are responsible for supporting the academic and personal development of approximately 25-30 high school students on the SquashBusters Boston team. The fellow will provide holistic support to students and help them stay on track to achieve their post-secondary goals by building strong relationships with students, families, and school partners. The primary roles of this fellowship are academic support, curriculum development/activity facilitation, and classroom management. This fellow should be prepared to run tutoring and enrichment sessions alongside colleagues. These sessions will require close attention to detail, communication with other staff members and volunteers, and a creative eye. The topics that this fellow will facilitate/co-facilitate include the following themes: team building, goal setting, college knowledge, career exploration, resume building, professionalism, public speaking, boys and girls groups, and academic best practices. Fellows will learn to juggle the many moving parts in youth development including: volunteer recruitment and management, homework support, enrichment session prep and facilitation, parent communication, academic tracking and support (including school communication).
