### **About Access Youth Academy**

We believe every child should have equal access to achieve their full potential. Our mission is to transform the lives of underserved youth through academic enrichment, health and wellness, social responsibility and leadership through squash. We use the sport of squash as a catalyst to transform young lives. Our program that begins by selecting children in the 7th grade, educating them with our four pillars and continuing to transform their lives for six years through high school graduation and then 6 years through college and post-graduate career. During these fundamental years, we provide guidance for building essential life skills to becoming responsible and honorable adults. By creating a culture of healthy lifestyle and exercise, students find the discipline and dedication to unlock their potential and achieve their goals. Beginning June 2021, we will be opening a state of the art education and squash facility that includes 7 singles courts and a doubles court. It would be available to our students as well as paid members. This provides an unusual opportunity to help grow and develop one of the leading squash facilities on the West Coast.
