About StreetSquash

StreetSquash aims to help each child realize his or her academic and personal potential through long-term, rigorous programming in academic support, squash instruction, college prep, community service and leadership development. Through high expectations and strong support, we help our students to achieve greatness. Our team of passionate, diverse professionals is committed to building deep relationships with our students and to giving each staff member meaningful responsibility in a cooperative working environment with support for everyone's ideas. We do our best to foster personal and professional growth, not just in our young people, but in each other as well. StreetSquash is a growing community, looking for motivated, enthusiastic individuals to help move our vision forward and grow within the organization.

About the Position

StreetSquash is seeking a driven, innovative **Squash Coordinator** with a passion for teaching squash to young people. At StreetSquash we work as a close knit team to identify players' needs and increase the overall level of our players while ensuring it remains a fun and collaborative experience. The Squash Department aims to increase the number of participants who compete on the US Squash junior tournament circuit and who will go on to play collegiate squash. The Squash Department also creates space for students who may not have aspirations to play at this level. The **Squash Coordinator** will play a critical role in advancing these goals.

This position will begin **June 13th** and will report to the Senior Director of Squash. In addition, this applicant will have an opportunity to supplement their income with revenue from lessons, clinics and tournament hosting fees.
